

Heavy Vehicle Diesel Mechanic

Clarks Logan City Bus Service

Our company

Clarks Logan City Bus Service is Logan City's leading urban bus operator. We have connected people in the Logan region since 1976. As Logan has grown into one of south-east Queensland's fastest-growing cities, so have we with 127 buses and 186 staff providing public transport services to the local community.

Clarks delivers safe and reliable passenger transport with a customer focus, passionate people and well-maintained vehicles. We are committed to attracting, retaining, and developing the best talent across our business who live and breathe our values: We are a *Passionate Team, Community Driven, Always Respectful* and *We are Family*.

As one of the city's largest employers, our workforce also proudly reflects Logan's cultural diversity offering equal employment opportunities.
